

Educational Activities

International Conferences, Presentations and Publications

1. EHA - Middle East & North Africa Meeting 2021
2. Arab Health in-person at the Dubai World Trade Centre from 21 - 24 June 2021.
3. 2021 Highlights of ASH through April 2, 2021
4. The Fourth International Conference on the History of Science for the Arabs and Muslims 6-4 April 2021 in Al Sharekah University
5. The 19th Annual Congress of Saudi Society Hematology 10th Pan Arab Hematology Association Congress in Jeddah 19-20 February 2021 CME 16 hrs
6. The 5th International Conference of Saudi Society of Transfusion Medicine in Jeddah 6-8 March 2021 CME 24 hrs
7. World Conference: Epidemics in Islamic civilization and ways to deal with them 25-26 Dec.2020 in Kuwait
8. Joint Conference of the 21st Egyptian Thalassemia Association (ETA & TIF) The 17th Egyptian Society of Hematology & Research 25th –26th November 2020
9. Webinar on Grand Hajj Symposium 27-7-2020
10. Webinar on Contemporary Creative Scientists (Dialogue on a Round Table) 5 July 2020
11. Webinar on How to Boost Immunity Against “COVID – 19 “9 May 2020
12. the 18th World Conference of the Saudi Hematology Association & the 9th Congress of the Arab Hematology Association in Oman - Muscat 27-29 February 2020
13. The Fourth International Conference on Prophetic Pharmaceutical Quality Medication Conference, 23-25 February 2020 Abu Dhabi, UAE
14. Chairperson of the Scientific Committee for the First Sheikh Zayed International Award for Complementary Medicine, 25 February 2020 Abu Dhabi, UAE
15. Highlights of Past EHA (HOPE) Middle East & North Africa (MENA September 12-14, 2019) , Cairo, Egypt 2 Abstracts
16. 29th Regional Congress of the ISBT 2019, in conjunction with Swiss Transfusion SRC and the Swiss Association for Transfusion Medicine, Basel, Switzerland June 22 - 26, 2019. Participated with Oral presentation.

17. 24th Annual Meeting of EHA Congress June 13-16, 2019, Amsterdam, Netherlands participating with 4 oral participation.
18. Middle East Diabetes & Obesity Congress 2019 March 08-11, 2019 Park Hyatt Hotel, Jeddah, Saudi Arabia, **CME 36 hrs.** Participated as Chairperson.
19. 18th Annual Laboratory Management and Medicine Congress (MEDLAB Congress 2019) at Dubai International Convention and Exhibition Centre, Dubai, UAE, February 04-07, 2019.
20. The Cleveland Clinic Foundation Center for Continuing Education. **CME 33 hrs.** Participated as Oral presentation (Disease control of thalassemia improved the survival and quality of life 28 years experience).
21. Holistic Approach to Improve Healthcare In Collaboration with Family Medicine Residency Program, February 06, 2019 at Abu Dhabi UAE. Participated with 2 oral presentations.
22. 17th Annual Meeting of Saudi Society of Hematology/8th Pan Arab Hematology Association
23. Congress from February 01-04, 2019 at Madinah Al Munawarah, KSA. **CME 31 hrs.** Participated with Oral presentation.
24. First International Conference on Nanotechnology Theory and Applications, December 2018, Cairo, Egypt. Participated with 2 oral presentations.
25. Highlights of Past EHA HOPE Cairo 2018. September 27-29, 2018, Cairo, Egypt. Participated as Chairperson. **CME 9 hrs.**
26. International Colloquium on Oncology & Cancer Research, September 19-20, 2018 at Millennium Airport Hotel, Dubai, UAE. Participated with Oral presentation.
27. Global Health Exhibition Medical Laboratory Medical Laboratory Management Conference. September 10-12, 2018. Riyadh, Saudi Arabia. Participated in the Exhibition.
28. The International Conference on Alternative and Traditional Medicine, July 23-25, 2018, Rome, Italy. Participated with 1 oral presentation.
29. 19th International Thalassemia Day Conference, May 9-10, 2018, Intercontinental Semiramis Hotel, Cairo, Egypt.
30. The 3rd International Conference on Quality and Evidence Based in Prophetic Medicine, Rotana Beach Hotel-AlThuraya Hall-Abu Dhabi, April 21-22, 2018. Organizer & Speaker **CME 16 hrs.**

31. The 4th International Conference of the Saudi Society of Transfusion Medicine, SCITECH, Alkhobar, KSA, March 31, 2018 -April 02, 2018 as a Chairperson. **CME 24 hrs.**
32. The 12th World Hematologist Congress, March 15-16, 2018, London UK. Participated as a Speaker and Oncology Modulator.
33. The 16th Annual Meeting of Saudi Society of Hematology, VII Pan Arab hematology Association Congress (Advances and Challenges in Hematology), February 24-25, 2018 at Intercontinental Hotel, Jeddah, KSA as a Speaker and Organizer. **CME 24 hrs.**
34. Bridging Gaps in Oncology BGO 17 Congress, in Intercontinental City Stars, Cairo Egypt in November 8-10, 2017. Participated as Honorable Speaker.(Natural products can improve the quality of life in Pediatric Cancer patients: Evidence-Based at University Hospital Single Institute at Kingdom of Saudi Arabia).
35. **Soad Al Jaouni** and Samy Selim (2017). Antipseudomonal and Antibiofilm Activity of Quercetin extracted from Ajwah date palm (*Phoenix dactylifera* L.). **3rd International Conference on Natural Products Utilization: from Plants to Pharmacy Shelf (ICNPU 2017)**, which will take place on 18-21 October 2017, Bansko-Bulgaria.<http://www.icnpu.com/2017/>
36. 14th International Conference on Malignant Lymphoma, September 29-30, 2017, Jeddah InterContinental Hotel.
37. Highlights of Past EHA (HOPE Cairo 2017) September 14-15, 2017 in Cairo, Egypt. **CME 9 hrs.**
38. **Soad Al Jaouni** , Natural Products Can Improve The Quality Of Life In Pediatric Hematology/Oncology Patients: Inspired By Prophetic Medicine , **10th Paediatric Haematology/Oncology Symposium and TCD Workshop Prince Sultan Military Medical City, Riyadh, Kingdom of Saudi Arabia Sun-Wed 19-22 March, 2017**
39. The CHSS Conference Medical Herbs in the Arab Gulf: Mapping an Interdisciplinary Approach, in Doha Qatar in October 18-19, 2017. Participated as Honorable Speaker. (*Phoenix dactylifera* fruit minimizes infection, hospitalization and mortality among Pediatric Cancer patients, single center experience).
40. Steve Harakeh, Josiane Semaan, Marwan El-Sabban, **Soad K. Al Jaouni**, Rania Azar, Mona Diab-Assaf Thymoquinone Inhibits Proliferation and induces apoptosis in leukemic cells. **American Association for Cancer Research (AACR)Washington D.C. 1-5 April, 2017. Annual Meeting 110**
41. The 7th World Hematologists Congress, Barcelona, Spain, May 08-09, 2017.Participated as Honorable Speaker. (**Hydroxyurea an effective therapy to avoid splenectomy in Sickle cell disease and Thalassemia: Single Institute experience in Saudi Arabia, Nigella Sativa and honey improves quality of life in Kostmann syndrome: Case Report,The Saudi experience on the effects of endocrine complications and its morbidity in thalassemia.**

42. Survival of Hematology/Oncology Facts: Evidence-Based 28 Feb.2017.**CME 8 hrs.**
43. Mona Diab-Assaf, Josiane Semaan, Marwan El-Sabban, **Soad K. Al Jaouni**, Rania Azar, Steve Harakeh . Thymoquinone Results in the modulation of TGF family, p53, p21 and Bcl-2 α in leukemic cells. **23th LAAS International. Lebanon 6-7 April, 2017.**
44. The 6th Pan Arab Hematology Conference, February 11-13, 2017, Regency Hotel, Kuwait.
45. S. Selim, **S. Al Jaouni** (2016).Vitamin E (α -tocopherol) Contents and Antimutagenicity potentials Talbina (*Hordeum vulgare* L.) **P-MIS-098 S.** Volume 283, Issue Supplement S1, Special Issue: **41st FEBS Congress, Molecular and Systems Biology for a Better Life**, Ephesus/Kuşadasi, Turkey, September 3/8, 2016.
Page 192 <http://onlinelibrary.wiley.com/doi/10.1111/febs.13808/epdf>
46. The 2nd MEGA Conference on Thalassaemia & other Haemoglobinopathies, Amman, Jordan, November 11-12, 2016. Participated with two abstracts.
47. The 41st FEBS Congress Molecular and Systems Biology for a better life, Ephesus/Kusadasi, Turkey, September 03-08, 2016.**Vitamin E (α -tocopherol) contents and antimutagenicity potentials Talbina (*Hordeum vulgare* L.)**
48. The International Conference of Pediatric Oncology, Toronto Canada, August 11-13, 2016. Participated as Honorable Speaker with 3 researches. (**Effect of *Phoenix dactylifera* palm date (Ajwa) on infection, hospitalization and mortality among Pediatric Cancer patients at single Medical Institute in Saudi Arabia. A pilot trial of Saudi honey on oral mucositis among pediatric cancer patients. Novel Methodology of Detecting Minimal Residual Disease in Acute Leukemia by Using FTIR (Spectroscopy).**
49. The 2nd International Conference on Prophetic Pharmaceutical Quality Medication Conference, King Faisal Auditorium at King Abdul Aziz University, Jeddah Kingdom of Saudi Arabia on April 05-07, 2016.**CME 30 hrs.** Participated with 4 research. (**Novel product can improved quality of life and survival in Kostman's syndrome, Cupping can treat severe bone pain in thalassemia, Antimicrobial effect of dates in Pediatric Hematology/Oncology, Pasteurized camel milk in control study in Pediatric Hematology/Oncology patient).**
50. V Pan Arab Hematology Congress and XIV Saudi Society of Hematology Congress IV Joint Meeting with European Hematology Association on February 11-13, 2016, Cairo Egypt. (**Splenectomy can be avoided in Sick cell disease and Thalassemia: Single Institute experience).**
51. Pan Arab of Thalassemia and hemoglobinopathies in Emirates, Abu Dhabi, November 19 -21, 2015. Participate with 2 abstract (**Honey improves the quality of life outcomes and decreased the painful crisis in sickle cell disease)(Hydroxyurea Therapy in Sickle cell disease and Thalassemia can eliminate Splenectomy Effectiveness of regular oral intake of Phoenix dactyliferous palm dates in reducing morbidities and mortality among pediatric hematology/oncology patient single institute experience in Saudi Arabia. Novel therapy for bone pain in sickle cell disease and (thalassemia).**

52. 20th European Hematology Society Congress June 11-14, 2015, Vienna, Austria. Participated with 3 abstract. **CME 19 hrs.**
53. Second Annual Expert Annals Assembly for Saudi Clinical Practice. Guidelines Development 2015 with Mac Maxter University in Canada. March 15-18, 2015.
54. Highlights of the 19th Congress of EHA at the IV Pan Arab Hematology Congress, XIII Saudi Society of Hematology Congress on February 5-7, 2015, Abu Dhabi, U.A.E. Speaker and Organizer of the IX International Network of Endocrine complication in Thalassemia (Saudi experience in the Endocrine complications for thalassemia major patients). Poster (The role of nutrition in SCD). One presentation as a Speaker "**The Saudi experience on the effects of endocrine complications and its morbidity in thalassemia**" and (2 posters) **Role of Nutrition in Sickle Cell disease and quality of life outcomes, Malnutrition increased morbidity and mortality among pediatric hematology/oncology patients, a single institute experience in Saudi Arabia.**
55. 40th Annual Conference of Indian Society of Human Genetics. International Symposium on Genomics in Health and Disease on January 28-30, 2015, India. Participated with (1 poster) **Glucose-6-Phosphate Dehydrogenase Deficiency- Who, When, Why And How.**
56. 11th International Conference of the Egyptian Society of ESHR update in Hematology on October 22-24, 2014, Grand Nile Tower, Hotel Cairo, Egypt. Participated as a Chairperson.
57. 19th Congress of EHA participated with 3 researches on June 12-15, 2014, Milan, Italy 23 EHA-CME.
58. 4th Emirates Hematology Congress on March 20-22, 2014, Abu Dhabi. **CME 17 hrs.**
59. 2nd International Conference of Saudi Society of Transfusion Medicine, Hyatt Park
60. Jeddah, on April 12-14, 2014. **CME 30 hrs.**
61. 12th Annual Hematology Congress, 3rd Pan Arab Hematology Congress on February 11-13, 2014, Jeddah, KSA. Participated with 3 research. **CME25 hrs., EHA CME 10 hrs.**
62. Prophetic Pharmaceutical Quality Medication, December 10-12, 2013 in Madinah a. Munawarah, KSA. **CME 30 hrs.**
63. 13th International Conference on Thalassemia & Hemoglobinopathies in Abu Dhabi National Exhibition Centre on October 20-23, 2013. Participated with 2 research papers 1 oral and 1 poster. (A comprehensive care in SCD can improve the quality of life outcomes) (The urgent need of primary prevention of stroke in children with sickle cell disease in Saudi Arabia using transcranial doppler). **CME24 hrs.**
64. 18th Congress of EHA in Stockholmsmassan (Stockholm International Fairs) in Stockholm, Sweden, on June 13-16, 2013. Participated with 2 researches. **CME 23 hrs.** 3rd Emirates Haematology Conference in Dubai, United Arab Emirates on March 7-9, 2013. Participated with 2 papers (1 Oral & 1 Poster).
65. 3rd Pan European Conference 2012 in Limassol, Cyprus on October 24-26, 2012. (Poster).

66. Saudi Arabia Pediatric Hematology/Oncology Society Symposium 2012 in Riyadh Saudi Arabia, on September 19-20, 2012.(2 Abstract).
67. MedicReS World Congress 2012 in Vienna, Austria on June 2012, in collaboration with Harvard Medical School. A research work had been accepted as a Poster to be presented in this Congress. **(Using a new integrative approach with refractory cases in pediatrics hematology/oncology: Clinical trial I/II at King Abdulaziz University Hospital in Saudia) and (New integrative approach with standard care of chemoradiotherapy-induced oral mucositis in pediatric cancer patient).**
68. International Conference Allogeneic Cellular Gene Therapy in Hemoglobinopathies University of Rome, Italy on May 2012 invited as Speaker.**(Sickle cell in Saudi Arabia). CME 5 hrs.**
69. International Conference of Thalassemia May 09-10, 2012, Cairo, Egypt. **Participated with a research work (Outcome of Sickle Cell disease complications and quality of life).**
70. The 10th International Congress of ESPHO Blood and Bone Marrow Disorders in Children Adolescents: Genetics and Beyond in Alexandria, Egypt on March 29-30, 2012. Participated with 2 posters.
71. European School of Oncology-Educational Cancer Convention Lugano, What's New in Haemato-Oncology? April 21-22, 2012, Lugano, Switzerland. Participated with three research work (3 posters) **(Health and quality of life outcomes in patient with sickle cells disease).Published in Oncology Hematology Vol. 82, Suppl. 1 April 2012; pp: S17-S18. CME 10 hrs.**
72. 1st International Conference for Saudi Society of Transfusion Medicine. March 5-8, 2012, Jeddah. KSA. **CME 25 hrs.**
73. 1stCEOR's International Symposium on Osteoporosis and Bone Health as part of the launching of the Prince Sultan Bin Abdulaziz National Campaign for the Prevention of Osteoporosis. February 8-9, 2012, Laylatee Gala Hall, Jeddah, KSA. **CME 20 hrs.**
74. X International Congress of the Saudi Society of Hematology and First Pan Arab Hematology Congress, Al Madinah Al Munawarah, on December 21-22, 2011 invited as a Speaker. Member of Scientific Committee and present three papers one oral and two posters. (Neonatal screening for hemoglobin disorders and g6pd deficiency: national strategy toward a uniform screening panel and system).CME 30 hrs.
75. Montreal International Translational Medicine Conference in Montreal, Quebec, Canada on November 3-4, 2011 invited as a Speaker. **(Primary Thrombophilia in Saudi Arabia).**
76. XIII Plasma Quality Program Modern Management of Haemophilia and von Willebrand Disease, Dubai, United Arab Emirates on October 20, 2011 present as a Speaker case report.**(A case report of Von Willebrand disease).**

77. 16th Congress of European Hematology Association EHA. Abstract accepted June 2011. **(A successful approach using a new integrative approach with refractory sixteen cases in pediatrics hematology/oncology: Clinical trial I/II at King Abdulaziz University Hospital in Saudia).**
78. 12th International Conference on Thalassemia and other Haemoglobinopathies 14th TIF International Conference for Patients and Parents May 11-15, 2011, Antalya, Turkey. Participation with abstract. **(Prevalence of bone disease and quality of life among sickle cell anemia: Single institute experience: Jeddah, Kingdom of Saudi Arabia).**
79. International Conference European School of Hematology (ESH) on Update on the Management of Haematological Malignancies March 25-27, 2011, Cairo Egypt. Participation with abstract. **(Honey reduces chemo-radiotherapy induced mucositis among Pediatric Cancer patients at King Abdul Aziz University Hospital in Jeddah, Kingdom of Saudi Arabia).**
80. National Genomic Day and International Genomic Conference CEGMR marking the Second Annual National Genomic Day February 15-16, 2011, King Fahad Medical Research Center, Jeddah, KSA. Participation with abstract. **(Molecular characterization of G6PD deficiency in Jeddah, Saudi Arabia).**
81. 21st International Thrombosis Congress. July 6-9, 2010, Milan, Italy. Participated with poster. **(The prevalence of Factor V Leiden among the Saudi population attending the anticoagulant clinic: 10 years experience at King Abdulaziz University Hospital Jeddah, KSA).**
82. 15th Congress of European hematology Association. June 10-13, 2010, Barcelona, Spain. Participated with abstract. **(Quality of life among SCD and bone complications).** 1th International Thalassemia Conference. May 8-9, 2010, Cairo, Egypt. Participated with oral presentation. **(Causes of death among thalassemia major 14 years experience).**
83. The 8th International Congress Egyptian Society of Pediatrics Hematology Oncology (ESPHO). Cairo, Egypt March 25-26, 2010, Alexandria, Egypt. Participated 3 papers. **(The prevalence of osteopoieresis among pediatric oncology patients, at King Abdulaziz University Hospital, Jeddah, KSA), (Medical student awareness of hemoglobin disorders and G6PD deficiency).**
84. 3rd Pan Arab Human Genetics Conference, March 13-14, 2010, Dubai, United Arab Emirates. Participated 4 posters. CME 7 hrs. **(Frequency of thalassemia disorders and hemoglobinopathies in Jeddah, Western Saudi Arabia), (Molecular characterization of alpha-thalassemia among Saudi population in jeddah, KSA), (Molecular characterization of G6PD deficiency in Jeddah, Western, Saudi Arabia) and (Medical student awareness of hemoglobin disorders and G6PD deficiency in Jeddah, Western Saudi Arabia).**
85. 7th Scientific Conference for Medical Students in the GCC Countries, February 13-16,

2010. Participated with poster. **CME 10 hrs.** The International Conference of the VIII Saudi Hematology Society, Jeddah 16-17 Dec. 2009. Participating as a Speaker also a member of Scientific Committee. **CME 15 hrs.** and Accredited by the American Medical Continuous Education. **CME 16 hrs.**
86. International Congress Qatar Medical Exhibition and Congress 2009 (Q-MEDEC2009) Participating the Workshop, as a Speaker Qatar 12-15 Dec. 2009. **CME 4 hrs.**
87. XXth Congress of International Society of Haematology-European and African Division (ISH-EAD) Cairo Egypt, 10-13 October 2009 Participated with 3 abstract. One oral presentation (**Prevalence of thalassemia disorders and hemoglobinopathies in Jeddah, Western Saudi Arabia**) and two poster presentation. (**Neonatal screening of G6PD deficiency: Diagnostic challenge and clinical correlation**) **CME 20 hrs.**
88. 14th Congress of EHA, June 4-7, 2009, Berlin Germany *Participating. (2 abstracts). International Symposium in Women Ageing Participating with the Poster. **CME 15 hrs.** Inherited Hemolytic Anemia Update Conference and Workshop in Collaboration with French group. *Organizer and participation by Lectures. May 4th 2009 KAUH, Jeddah. **CME 8 hours** accredited by American Academy of **CME 7 hrs.**
89. Mini AABB Transfusion Medicine KAUH, Jeddah April 13-15, 2009 *Chairperson. **CME 15 hrs.**
90. 16th Egyptian Society of Pediatrics Hematology Oncology. Cairo, Egypt March 26-28, 2009 * Participating 2 papers.
91. 4th Oncology 2008, 4th Oncology Update Symposium February 23-25, 2009 KFSH & RC, Jeddah. Accredited by American Academy. **CME 12 hrs.**
92. 4th International Neonatal Conference 2009, February 16-18, 2009 * Participated Lecture. KFA Hospital Jeddah, **CME 29 hrs.**
93. Pan-Arab Blood Transfusion Conference 7th Arabian and 4th GCC February 15-29th, 2009 Doha, Qatar *Participated by Poster.
94. Meta Analysis Symposium and Workshop KFSH & RC, Jeddah February 17-18, 2009. **CME 8 hrs.**
95. 50th American Society of Hematology (ASH) Congress 2008 USA participated with ***2 papers accepted** will be published in Abstract Blood November, 2008. #4570, #4677 International Conference on Nanotechnology: Opportunities and Challenges (ICON 008). King Abdulaziz University. Center of Nanotechnology. June 17-19, 2008. **Poster Presentation. CME Accredited**

96. 13th Congress of European Hematology Association EHA. June 19-22, 2008, Copenhagen. Will participate with **two abstract accepted**. #1355 & #1068.
97. 9th International Thalassemia Conference Cairo University, Egypt from May 7-9, 2008. **(Poster Presentation & Oral Presentation)**.
98. 7th Saudi Hematology Society Congress, in King Fahad Medical City in the cooperation of American Association for Blood Bank (AABB) participated with paper and **poster presentation**. **CME:22+5** May 19-22, 2008
99. 6th ESPHO, Egyptian Society of Pediatric Hematology Oncology, March 27-28, 2008, Cairo Egypt, participate with **2 papers** accepted 1 oral and 1 **Poster Presentation**. April 2008.
100. Beating Blood Clots in Bahrain, Leo Pharma mini-symposium, January 25, 2008. International Saudi Conference of Advanced Laboratory Medicine. October 30-31, 2007. **Organizer of the Hematology Session and Coordinator of Diagnostic Workshop**. **CME: 30 hrs**.
101. 12th Conference of European Hematology Association (EHA). Vienna, Austria. June 7-10, 2007.* 2 paper accepted. 1. Pattern of Bone Disease Among Thalassemia Patient. Haematologica. The Hematology Journal vol. 92(S1) pp 428-429 June 2007. 2. Growth Factor (GCF) Can Cause Cataract. Hematologica. The Hematology Journal vol. 92(S1) pp 542 June 2007. **2 abstract accepted**.
102. 8th International Thalassemia Conference. Cairo University, Egypt. May 8-10, 2007. Participating with **oral presentations**.
103. 5th International Congress of Egyptian Society of Pediatric hematology/Oncology (ESPHO) March 2007, Cairo. *Pediatric Thrombophilia. **(Poster Presentation)**. Genetic Conference. European Hospital. Paris, France. Jan. 2007. (Novel Gene Mutations of G6PD Among Saudi Patients).
104. International Symposium Oncology Update – 2007. 27-28 February 2007. King Faisal Specialist Hospital & Research Centre, Jeddah, KSA. **CME:12 hrs**.
105. International Conference of Venous Thromboembolism, Current Trends & Future Directions. 4-5 February 2007 in King Faisal Specialist Hospital and Research Centre, Jeddah, KSA. **CME: 8**. Accredited by **CME: 5** by McMaster University, Canada
106. 47th ASH Annual Meeting **participated with an article #111**. (Tinzaparin in the Management of Painful Vaso-Occlusive Crisis of Sickle Cell Anaemia). USA
107. International Saudi Symposium on Hemostasis and Thrombosis (INSSH), Jeddah, Saudi Arabia, November 25-27, 2006. Speaker, Workshop Organizing / Member of Scientific and Organizing Committee. **CME: 17 hrs**.

108. 11th Conference of European Hematology Association (EHA). Amsterdam. June 15, 2006.* 2 accepted presentations – (1) Molecular Clinical Characterizations in G6PD in Western Saudi Arabia Abstract #0061 (2) Survival and Disease Complications of TM – 14 Years Experience Abstract #0378(3) The Safety of avoiding pre-operative transfusion in patients with sickle cell anemia Abstract #1136. HAEMATOLOGICA 2006;91(supplement 1) **CME: 15.75**. Participated with **2 posters**.
109. Advanced Presentation Skills Workshop. King Abdulaziz University Hospital. May 14, 2006. CME accredited.
110. 7th International Thalassemia Conference. Cairo University, Egypt. May 7-10, 2006.* (Presentation – 15 Years Experience of King Abdulaziz University Hospital in Disease Complication and Control of TM).
111. Conference of Abdulaziz University Hospital to Build up Better Family. April 2-4, 2006. Participated in preparing a course for pre-marital medical awareness.*
112. 4th International Congress of Egyptian Society of Pediatric Hematology-Oncology (ESPHO). Cairo, Egypt. March 30-31, 2006.* (3 papers accepted and presented). (1) Neonatal Screening of G6PD (2) Systemic Mastocytosis and Hematological Review (3) Thalassemia Update. (**Poster Presentation**).
113. 10th International Conference of Thalassemia and Hemoglobinopathies (TIF). January 7-10, 2006.* (3 papers accepted). (1) Safety of Avoiding Transfusion in Pre- operative Preparations in SCA (2) Disease Complications of TM (3) Serum Ferritin is a Poor Indicator for Early Myocardial Iron Overload. Dubai, UAE. Abstract # A241, A165.
114. 47th ASH Annual Meeting, USA. December 2005. Abstract # 554495 (Tinzaparin in the Management of Painful Vaso-Occlusive Crisis of SCA). Blood Journal of the American Society of Hematology vol. 106 #11 November 2005.
115. 3rd International Conference on Advanced Medicine. November 2005. **CME: 18 hrs**.
116. President of ISSPHO & Speaker. International Saudi Symposium of Pediatric Hematology/Oncology (ISSPHO). November 21-23, 2005. [**CME: Whole symposium = 17 hrs; Nursing satellite = 5 hrs; Hemophilia satellite = 6 hrs; and Alternative medicine = 5 hrs.**]. **Total CME: 33**.
117. XXXth World Congress of International Society of Hematology (ISH) Istanbul Meeting, September 28 to October 02, 2005. **EHA CME: 60**.
118. The Fourth Middle East Thalassemia Investigators And Thought Leaders Meeting Exjade ESCALATOR Study Investigator Meeting IV, September 01-03, 2005, Amsterdam, Holland.
119. Annual Conference of Royal College of Physicians & Surgeons of Canada, Vancouver, September 22-24, 2005. *2 papers submitted.

120. Exjade Escalator Study Investigator Meeting IV, Amsterdam, Netherlands, September 01-03, 2005.
121. Ambulatory Pediatrics, KAUH speaker. May 11, 2005 (3rd Rabi Thani 1426). CME accredited.
122. Oncology Update 2005. [CME 15 hrs]. KFSH&RC Jeddah.
123. The Second International Congress of Egyptian Society of Pediatric Hematology/Oncology (ESPHO) Speaker. 31st March – 1st April 2005, Cairo, Egypt.
124. Workshop about High Educational Opinion of Prince Abdullah Bin Abdulaziz Al Saud. January 30 – February 1, 2005, KAUH.
125. Medical Statistics and Research, 14-15 January 2004 (22-23/11/1424), Medical Education Unit, KAU.
126. The 5th International Symposium on Hematology and Transfusion Medicine, March 14-17, 2004/Muharram 23-26, 1425H, King Fahd Cultural Center, Riyadh, S. A.
127. The Role of Comb Test in the Assessment of DNA Damage During Therapy of Leukemia and Lymphoma.
128. Workshop on Donor Recruitment, KAAUH, KAU, 22 March 2004. Chairperson
129. First Saudi International Transfusion Medicine Symposium (SITMS), 22-25 March 2004, KAU. [CME 20] Member of the Scientific Committee Chairperson & Attended.
130. The First International Congress of ESPHO, The Egyptian Society of Pediatric Hematology/Oncology; Cairo, Egypt, 8-9 April 2004. Participant, Attendee and Speaker.
131. Saudi – BMT 2004 International Conference in collaboration with Princess Margaret Hospital, Toronto, Canada; 12-14 April 2004, King Faisal Specialist Hospital & Research Center, Jeddah. #305/3/2004. Dated: 22/1/1425. [CME 15] Participant & Attendee.
132. Thalassemia Day, King Fahd Medical Research Center, KAU; May 8, 2004. National Meeting and Patient Education.
133. Diagnostic Workshop for Hemoglobinopathies (Council of Health Specialties), King Fahd Medical Research Center, Hematology Research Lab, KAU, 9th of May 2004 #3/1363. Dated: 15/3/1425. [CME 6] Organizer of the Workshop & Lecturer.
